

Precision Cable Assemblies contracted with Arkco-Sales

December, 2008

Precision Cable Assemblies has contracted with Arkco-Sales out of Minneapolis to represent us in Minnesota, Iowa, North Dakota, South Dakota, and Nebraska.

We feel very confident that the members of the Arkco-Sales team will fill an important gap in our sales coverage.

Arkco joins Harwood Associates covering Wisconsin, Bert Block Associates covering Michigan, Les Clark covering Missouri, Arkansas, Oklahoma, as well as Ron Mullins covering select National accounts.
